

PRESS RELEASE

Save on the plane ticket – travel without dive luggage to Palau

Scuba gear for free at Sam's Tours

Koror/Munich, January 22, 2011 – Divers will travel light to Palau in summer

The luggage restrictions imposed by the airlines make travelling harder and more expensive. Moreover, the luggage allowance for dive luggage is constantly being decreased and makes it not very realistic to have your complete equipment with you. Sam's Tours, Palau's premier dive centre, has found the perfect remedy: "The dive gear's on us!"

The free rental gear package includes:

Masks, fins, snorkel,

BCD

Regulator

Tanks & weights

Genuine Palau reef hook

Sam's Tours offers new state of the art rental equipment each season from renowned manufacturers that include Scubapro, Mares and Aqualung.

The Palauan reef hook is a "simple to use" tool that allows divers to easily manage diving in the currents that attract Palau's renowned schools of sharks and pelagic predators. Photographers will especially enjoy having both hands free while handling their cameras. Your guide will explain the simple procedures for reef hook use before your dive.

Terms & conditions:

The trip can be booked at the water sports trade show „Boot“ in Dusseldorf/Germany between January 20 and 30, 2011 or at the very latest by February 28, 2011.

Applicable for all travel to Palau between May 1 and September 30, 2011.
